MAYOR

***Sarah
finds
solutions***

I am running for Mayor because Longmont needs a Mayor who will uphold our community values and find ways to increase economic development, jobs, affordable housing and small businesses.

We need Mayor who:

- Listens to regular people – “the little guys.”
- Is a skilled policy maker and collaborator at the county, state and national levels.
- Has track record of bringing new opportunities, creative solutions and new money to our city. I have been a leader on the state and national level.

Here are some of the things I have accomplished during my last 8 years on council:

- Fought for our established neighborhoods against bad development.
- Kept the ice skating rink open.
- Developed a new vision for First and Main Streets.
- Created the city's first anti-poverty program.
- Rewrote Longmont's campaign finance law. You have the right to know whose money is putting people in office.
- Brought new childhood education programs to the city.
- Fought against tax give aways to large corporations.

***I have worked hard for you and
our city the last eight years.***

***Give me a chance to do even
more as Mayor.***
